

All About Pumpkins Science for Little Learners

Instructions:

1. Gather your book, a pencil, and find a comfy spot with good light.
 2. Open your book carefully to the first page.
 3. Look at the pictures and read the words on each page.
 4. Say vocabulary words out loud when you see them.
 5. On the special sequencing page, read those words out loud for extra fun.
 6. Draw or write about three things you learn on the last three pages about the pumpkin life cycle.
 7. Have fun reading and don't hesitate to ask a grown-up for help if you have questions.
 8. Share what you learn with your family and friends.
 9. Use your imagination to create your own pumpkin story or facts.
 10. Keep exploring and enjoy your adventure in the world of pumpkins!
- Remember, learning is a fun adventure, and there's so much more to discover!

Enjoy reading and exploring the world of pumpkins with your book,
"Exploring Pumpkins -A Fun Learning Adventure"!
