

Spider LifeCycleforPreschoolers

Instructions

Read Each Page:

- Look at the pictures and read the easy text about each stage of a spider's life.

Color the Pictures:

- If you want, you can color the images of each stage as you learn about them.

Follow the Spider's Journey:

- Learn how a spider starts as an egg and grows into an adult.

Enjoy the Fun Pictures:

- The drawings help you see what happens at each stage.

See the Cycle:

- Discover how the spider life cycle repeats.
