

# Roll and Draw Fraction

Roll 2 dice. Place the smaller number on top  
(numerator), place the larger number on  
the bottom (denominator)  
Divide and color the circles to show your fraction.

|                                                                                                                                                                                     |                                                                                                                         |
