

Instruction

Step 1: Look at the silly shape monster on each page. Can you recognize its shape? Is it a circle, square, cone, or something else?

Step 2: Use your favorite crayons, markers, or colored pencils to bring your monster to life!

Step 3: Have fun adding patterns, spots, stripes, or even silly faces to make your monster unique!

Step 4: Say the name of the shape out loud and try tracing it with your finger! Can you find other objects in your home with the same shape?

Step 5: Once you're done coloring, show your masterpiece to family and friends! You can even cut out your monsters and create a fun shape monster display!
