Look at all the volcano pictures. Some may have lava, mountains, trees, or even clouds of smoke!

Choose a Volcano Picture

Pick one that you really like. You can color them in any order you want.

Think About Volcano Colors

What colors do you think of when you imagine a volcano?

- Lava can be **red**, **orange**, or **yellow**
- Rocks and mountains can be **brown**, **gray**, or **black**
- The sky can be **blue**, **purple**, or any color you love!

Start Coloring

- Carefully color the volcano and everything around it.
- Try to stay inside the lines, but it's okay if you don't—just have fun!

Use Your Imagination

- You can add extra fire, smoke, or even dinosaurs and explorers nearby.
- Make a day or night scene—it's up to you!

Show Off Your Volcano

When you finish, show your cool volcano picture to your family or friends. You just made nature look amazing!
